The balancing act · 8 minutes

Slides 1–4. Trust, provider and applicant perspectives.

Prompting fundamentals · 10 minutes

Slides 5–8. Six prompt parts, rubric and human checkpoints.

AI in the review workflow · 17 minutes

Slides 9–14. Three prepared demos and evaluation.

The applicant side · 12 minutes

Slides 15–19. Policy boundaries, detection and fair follow-up.

Policy and frameworks · 13 minutes

Slides 20–24. Transparency, checklist and 30 / 60 / 90-day plan.

Discussion and resource practice · 30 minutes

Slides Use throughout. Extend a demo, compare policy choices or develop the plan.

Flexible discussion options

Extend a prepared demo with a partner evidence check. Compare policy boundaries from the applicant’s perspective. Give teams time to draft their provider-use statement or implementation plan. Use the companion and six-page workbook. B1–B4 are backups outside the core route.
