

Your presenter route

October 21, 2026 | 3:30-5:00 PM CT | Keep this beside the presentation.

Time / slides	Open this activity	Ask or do / keep
3:30-3:38 Slides 1-4	Choose a starting point	Choose one readiness area. What would you like to feel more comfortable doing? Keep: One starting goal
3:38-3:50 Slides 5-7	Write the request	What would the tool still have to guess? Help a partner remove one guess. Keep: A clearer request
3:50-4:05 Slides 8-11	Check the application	What is missing in P4? What should happen to the instruction in P5? Keep: Evidence and a follow-up
4:05-4:20 Slides 12-14	Compare ratings	Which words support your rating? Compare human reasons before showing the AI draft. Keep: Ratings and reasons
4:20-4:30 Slides 15-16	Name the checkpoints	Who approves the input, checks evidence, decides, and records? When do we pause? Keep: Owners and a stop rule
4:30-4:45 Slides 17-20	Respond fairly	Which published rule and evidence justify a concern? Ask without assuming wrongdoing. Keep: A neutral response
4:45-4:55 Slides 21-23	Plan one small change	What will you try, who owns it, and what evidence would show progress? Keep: A 30-day plan
4:55-5:00 Slides 24-25	Share and close	Share one prompt change, one human check, and one rule to clarify. Keep: An exit ticket

Prepared demo fallback

[Completeness table](#) | [Scoring discussion](#). Say: This is a prepared teaching example, not a live model response.

If time is short: shorten volunteer reporting and extra examples. Keep independent ratings and the fair-response discussion. At 4:55, move to the closing notes. Slide 26 is the source appendix.
